From the North Circular Road (A406)

- Head towards the junction with Fallosen Way/A1 and turn onto the A1, heading southeast
- Turn right on Junction Road (A400)
- Turn left on Brecknock Road (A5200)
- Turn right on Torriano Avenue (A5200)
- Turn left on Leighton Road (A5200)
- Turn left on Charlton Kings Road

From the South Circular Road (A205)

- From the A205, head in the direction of Lambeth. This could be via the A2, A3, the A23, or Lordship Lane (A2216)/Denmark Hill (A215)/Camberwell New Road (A202).
- If you go via any of the routes mentioned in the previous step, you'll reach a junction where the A202, A23, and A3 meet. Follow the A3 northbound.
- Turn left on Kennington Road (A23). *Please note that you'll enter the London Congestion Charging zone on this road.*
- The A23 becomes York Road (A302), follow the A302 around the corner towards Waterloo
- At the roundabout, take the second exit onto Waterloo Road (A301). You'll cross the river on Waterloo Bridge.
- Stay on the right to follow the A301 and turn left on Kingsway (A301 becoming A4200)
- Follow the A4200 up Southampton Row, past Russell Square and straight ahead through Woburn Place, Tavistock Square, and Eversholt Street towards Camden Town
- Turn right at Camden Town station on Camden Road (A503)
- Turn left at Torriano Avenue (A5200)
- Turn right on Leighton Road (A5200)
- Turn left on Charlton Kings Road

Look for the grey gates on your left with 'Apollo Studios' written on them. Scroll down the names on the intercom to Theatre Projects and press the bell button to let us know you've arrived. We have local parking permits if you need to use one.
